

Earthquake Safety Program

INFORMATIONAL MEETING

OHLONE GREENWAY TEMPORARY DETOURS

REQUIRED BY THE

BART EARTHQUAKE SAFETY PROGRAM

Tuesday, December 18, 2007

6:30 PM – 8:00 PM

**El Cerrito Community Center
7007 Moeser Lane, El Cerrito**

BART will be hosting an informational meeting for users of the Ohlone Greenway pedestrian and bicycle path. The purpose of the meeting is to present proposed temporary detour routes needed during construction of earthquake upgrades of BART's elevated structures expected to begin in mid-2009. The public is invited to come learn about the detours.

If you need assistance with translation and/or accessibility services, please call the project information line at 510-874-7425 at least 48 hours prior to the meeting.

**EARTHQUAKE
SAFETY PROGRAM**
BUILDING A STRONGER SYSTEM

ABOUT THE PROGRAM

The BART Earthquake Safety Program will upgrade the original BART system to ensure safety and the ability to return to operation shortly after a major earthquake.

Priorities for strengthening work include BART's Transbay Tube, elevated structures and many stations.

Thank you for supporting BART's efforts to protect this Bay Area asset.
